School Profile

Apple Valley Christian School was founded in 1976 and is located in the High Desert area of San Bernardino County. Despite being small, the school has much to offer both domestic and international students. Students can participate in several academic competitions such as Math Olympics, Speech Meet, and Band & Piano Festivals. The school has a beautiful campus set on 25 acres of land, and consists of 4 separate buildings with over 45,000 square feet of space, including 30 classrooms, an indoor gymnasium, play areas and ball fields. The Apple Valley community is quickly expanding and AVCS is prepared to grow with it. The school also offers several courses at the Honors level, challenging students to do their best. In addition to core classes, students are encouraged to explore their artistic abilities in music and art.
