School Profile

Bradford Christian Academy strives for a vibrant transmission of college preparatory knowledge and the creative development of whole and effective Christians who shape the church and society worldwide as faithful ambassadors of Christ. BCA equips graduates to succeed in colleges, universities, and careers by providing a liberal arts education with a solid Biblical foundation. BCA's educational philosophy is built upon the integration of the Christian faith with all other areas of academic learning. All subjects are taught with a biblical perspective as students are assisted in comparing a Christian world view with opposing philosophies and ideologies using age-appropriate materials.
