

Public High School

School Profile

Urbandale Community School District serves approximately 3,700 students in six elementary schools, one middle school and one comprehensive high school. They serve an increasingly diverse student population where 42 different languages are spoken. They believe this diversity is strength, as it provides all students the opportunity to learn with and from students from around the world. The district is proud of the educational opportunities provided and is pleased to have the support of so many parents, community members, and businesses. The staff is effective, the parents are supportive, and the community collaborates together to support its youth.
