

Private Boarding School

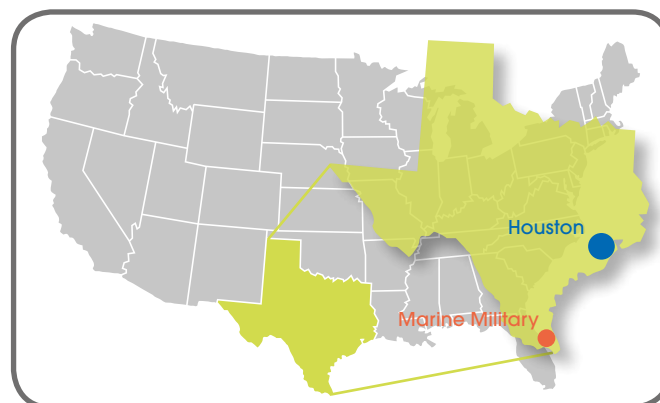

School Profile

The Marine Military Academy is a private college preparatory military school for young men, 8th through 12th grades, which develops disciplined, morally strong, college-ready young men who are prepared for responsible leadership.

While MMA is a College Preparatory school, they do more than prepare students for college. MMA prepares students for Life. It emphasizes academics, self-discipline, teamwork and leadership. They help young men succeed by offering a structured learning environment. Of all the military boarding schools, the Marine Military Academy is the only one in the world based on the traditions, values, and ideals of the United States Marine Corps.
