### Dormitories and Student Residences

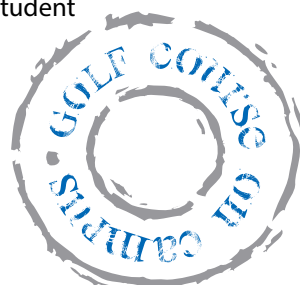

For the boys, they offer 5 dormitories, all different in size, style and set-up. Most boys’ dorms house two students per room, and in most cases the doubles are adjoined to another double by a full bathroom. There are singles, triples, and quads available as well. Each dorm is home to a dorm parent so security, supervision, and support can be found at all hours. Dockery Hall, a 60 bed girls dormitory boasts 2 floors and multiple common rooms for studying, meeting, and television watching. The girls have the option of choosing to live with another student or by themselves in a single.
