

Bishop's Stortford College - Hertfordshire, UK

One of the leading independent, co-educational schools in the country, Bishop's Stortford College is a wonderful place of learning in a beautiful setting on the edge of a market town between London and Cambridge.

It is a place large enough to provide an exceptional range of opportunities, yet small enough for each child to be known and valued.

Our love of life and learning enables pupils to grow into well-rounded, skilful, caring and confident people, equipped and ready for the adventures and opportunities life has to offer.

Academic Approach:

Confidence lies at the heart of successful learning. Small classes, an emphasis on individual needs and teachers who will go that extra mile ensure that every pupil at Bishop's Stortford College receives the time and attention needed to develop the confidence and desire to learn for life. Your child will be surrounded by adults who love to learn, love to share their learning and strive for the very best in all they do. The enthusiasm and example of our teachers, in class and beyond, is inspiring and underpins the College's vibrant atmosphere.

The Boarding Experience:

Pupils enjoy being part of a vibrant and diverse community. We have the time and space to provide a healthy breadth and balance of activity within the timetable and key facilities are open in the evenings throughout the week. We believe that cultivating a sense of belonging is an essential ingredient to a child's development as a person. Given the diversity within the College, there is huge scope for bringing different people of different ages and cultures together to learn from each other and enjoy each other's company.

Sports Programme:

We take great pride in our sporting heritage and a successful record and reputation, founded on the principles of excellence and enjoyment. Pupils at Bishop's Stortford College benefit from expert coaching and outstanding facilities. Our aim is to strike the rare balance between excelling at the highest level with our most talented pupils whilst ensuring that every pupil has access to good coaching.
