Learning at Cobham:

While the classroom is not the only place where girls gain knowledge at Cobham Hall, lessons do form a vital part of their school experience.

Girls take GCSEs and IGCSEs in Year 11 and study for their International Baccalaureate (IB) Diploma in the Sixth Form.

We also offer a flexible one, two or three term Pre-IB course to prepare girls for taking the IB Diploma the following year. This combines core GCSE subjects with preparation for the IB. Pre-IB can be particularly useful for girls who are joining the English education system from elsewhere in the world.

Life at Cobham:

As a boarding school, we are open 24 hours a day, seven days a week during term time. With more than half of our students spending the majority of their formative years living at school, we know it is important to offer lots of things to do and lots of things to try.

We do our best to fulfil as many of their needs as possible – physical, social, spiritual, intellectual and emotional. There is certainly no shortage of activities to get involved in – from cookery club to netball club, Friday night games to a Sunday night fashion show, Youth Clubs in the local community to Christian Union and much more besides.

Boarding at Cobham Hall:

The heart of our boarding community can be found in the smallest things – in good night hugs and bedtime chats, in card games and movie nights and the cheerful noise of the dining room at supper time. It might be clichéd to say so but boarding at Cobham is like living with a very large, very noisy, very international, very amusing and endlessly entertaining family.
