

St. Lawrence College - Ramsgate, UK

Founded in 1879 the school is set on an estate of 150 acres close to the centre of Ramsgate. The Senior and Preparatory departments, whilst sharing the same campus are housed in separate locations. Lawrence College has an excellent academic reputation, especially in the fields of science and engineering. Exam results are high with many leavers entering the best UK universities, including Oxbridge and Imperial.

The College encourages a strong belief in the individual and is willing to accept students for their individual abilities and not only for their academic strengths.

- Year 13: single study room

Welcome to St. Lawrence College:

St Lawrence College is a school that really makes a difference in people's lives. Located in Ramsgate within easy walking distance of the sea, the College is set in a safe, spacious campus.

At St. Lawrence College we ensure pupils attain their personal best academically, whilst preparing them for life in a rapidly changing global society. Modern facilities combined with traditional values based on our Christian roots draw out the talents of each pupil.

Boarding facilities at St. Lawrence:

We try very hard to provide a home from home for our boarding students, both in terms of comfort and atmosphere: we are proud to say that most visiting families to Main School comment on the superlative boarding facilities that we offer as, the finest they have ever seen! In recent years, a massive programme of investment has created some truly remarkable facilities for our boarders: we recognise that our older pupils need more private space in which to live and work, so all our senior pupils are housed in single or double rooms.

Education at St. Lawrence:

We are proud of our academic record, but we also recognise that education in its truest sense is measured not in examination results, but in the preparation of young people for the future. Keeping class sizes small ensures that our teachers can look after the individual needs of each pupil, so that high-flyers gain their places at the top Universities, and our less able pupils develop skills in areas which will serve them well in the future.
