

# Wycliffe Prep School - Gloucestershire, UK

Wycliffe College is an independent school with a distinctive heritage, a progressive outlook and an ethos that treasures education in its widest sense. At Wycliffe we value tradition, embrace modernity and respect individualism. Wycliffe accepts pupils with a wide range of abilities and rejoices in their individual successes.

Pupils are valued for who they are; diversity is celebrated. With a strong emphasis on personal development, pastoral care and pupil performance, Wycliffe supports and encourages its young people to make the most of the opportunities and outstanding facilities on offer.

## Welcome to Wycliffe School:

Wycliffe is an ideal destination for pupils who want all the advantages of a contemporary environment in a beautiful rural location. Wycliffe successfully blends the best of the traditional and modern. The school has excellent links to London both by road and rail and is close to the amenities offered in Cheltenham, Bristol and Bath.

Our students thrive in a cosy, warm and caring atmosphere. We have capacity for fun and conviviality whilst promoting high standards and individual achievement.

## Boarding at Wycliffe Prep:

Boarding at Wycliffe is great fun and there is a real family atmosphere. The girls' house, Windrush, is very cosy with colours and furniture chosen by the girls and has a dedicated computer work room, indoor play area, music room, spacious sitting room with satellite TV, DVD player, board games and large kitchen area including resident goldfish!

The boys' house, Pennwood, is purpose-built, and also has a large common room, computer workroom and games room. Friendly games leagues are arranged, and there is much competition between the boys and the girls.

## Individual focus at Wycliffe Prep:

At Wycliffe Preparatory School, we care about the development of individual strengths and talents and are active in finding out where these lie in our pupils.

Happiness is key to encouraging our pupils to succeed. If they are happy, we can help them to achieve their potential.
