## Welcome to Wycliffe School:

Wycliffe is an ideal destination for pupils who want all the advantages of a contemporary environment in a beautiful rural location. Wycliffe successfully blends the best of the traditional and modern.

The school has excellent links to London both by road and rail and is close to the amenities offered in Cheltenham, Bristol and Bath.

Our students thrive in a cosy, warm and caring atmosphere. We have capacity for fun and conviviality whilst promoting high standards and individual achievement.

## What the Staff say:

We have a very wide range of academic subjects, both at GCSE and A level; there is something for everyone in our extra-curricular programme. We are keen that all pupils will get the most from their time at Wycliffe and achieve their full potential in every sphere of education.

We have a wonderful programme for our Gifted and Talented pupils, as well as help for those who find academic work a little more difficult. Our pastoral care is second to none and we are determined to bring out the best in every pupil.

## Life as a boarder at Wycliffe:

With a large community there is always something to become involved in; whether working in the organic vegetable garden, taking part in extra-curricular activities, driving environmental, charity and community projects or simply taking advantage of the state-of-the-art facilities (kitchen areas, sauna, Jacuzzi, satellite TV, home cinema, and pool table to name but a few), every experience is unique and memorable.
