Academics at St. Bede's:

St Bede's Prep is non-selective academically and yet, by focusing on the educational needs of each individual, achieves outstanding results. Throughout their time at the school children follow a very broad curriculum, including academic studies, music, drama, art design and sport.

Small classes enable the school to monitor a child's academic progress and the standards reached are very high. Every pupil has the chance to benefit from a broad education in an environment where honesty, morality and good manners are highly valued.

Extra Curricular:

St Bede's is a busy school and there are a wide range of extra curricular activities going on both in the afternoons and early evenings. The children can choose their activities at the start of each term and stay in that activity throughout the term.

Sometimes specialist teachers are required and a range of specialists come to school to boost the activity programme. Over 30 clubs/activities on offer, including: Drama Club and Drama Master Class, ICT Club, Art and Art Master Class, Japanese, Cricket, S Pool, Climbing, and many more!
