

Royal Alexandra & Albert School - Surrey, UK

Gatton Park with its three lakes, serpentine and 260 acres of parkland provides the ideal setting for our school. Our purpose-built classrooms provide first class facilities for study. Purpose-built boarding houses provide comfortable, modern accommodation for Primary, Lower Secondary and Upper Secondary pupils.

School should be a positive experience and at Royal Alexandra and Albert we aim to make it so. We are different from so many schools in that we welcome children irrespective of their abilities. In a close partnership with parents and guardians, we seek to ensure that all our pupils optimise their potential.

- Study bedrooms for 2,3 or 4 students

School Aims:

Our aim is to provide all pupils with appropriate challenge and the opportunity to fulfil their potential through an academic programme tailored to the needs of the individual, stimulating interest and intellectual curiosity. Our classes are small, usually no more than 24, and resources ample. We are especially proud of our computer network which affords a computer pupil ratio of 4:1, and all pupils demonstrate a high level of computer skills. The school has a very good ethos that promotes high expectations of work and behaviour and leads to a productive learning environment.

Enrichment Activities:

In addition to the various sports on offer we have many activities which are an integral part of the life of this busy community. The range is wide, and designed to appeal to pupils of all ages and tastes: Creative Arts Club, Public Speaking, Duke of Edinburgh Awards Scheme, Chamber Choir, Army Cadets, Junior and Senior Dance Classes, French Club, Weights & Keep Fit, Young Gattonians, Music Club, Karate Club, Junior Youth Club, Gymnastics Club, Scouts, Gatton Park Conservation Rangers, Gifted and Talented pupils scheme, Model United Nations meetings...

Specialist Sports and Science College:

Being a Specialist Sports College will enable us to raise standards in all subjects and particularly our two specialist subjects, Science and PE. It will help us to foster a greater culture of learning, success and achievement in all areas of school life. There will be an increase in out of hours learning opportunities and the School will become a beacon for local community sport and recreation.
