Sports and Performing Arts

Aside from an excellent academic programme, NPTC really excels in providing the very best Sport and Performing Arts facilities.

Our dedicated Sports Centre includes quality outdoor sports pitches, climbing walls, a heath and fitness centre and an impressive indoor 4G playing surface. Our facilities are so good that the top-division Welsh rugby team, The Ospreys, use our facilities to train.

We also have a fully functional performance theatre for those interested in displaying their talents in dance, drama and music.

Cultural Enrichment Programme

We know that parents sometimes worry about their son or daughter's welfare whilst they are away and like the security of a Boarding School—at NPTC we can offer the best of both worlds, the comfort and care of living with a host family and an enrichment programme with a wide range of activities to keep students occupied in a supervised environment. There is a wide choice of clubs, societies and teams available, ranging from sport to cultural activities.
