

## Private Boarding School

### School Profile

Grier is a private school offering a well-balanced educational program for girls in grades 7 through 12. At Grier, the educational experience incorporates the academics, athletics and the arts in a way that permits students to explore their passions and discover new interests. Students will be challenged in a variety of ways, but will find that support is always there for the student from peers and faculty. Students will learn how to think, listen, communicate with others and make decisions. Best of all, this personal growth will take place in the company of other young people and faculty members whose influence on the student will last a lifetime. The top-notch academic program includes 21 AP classes and a wide range of electives. Their signature programs are Dance, Horseback Riding and the Arts with both Studio Art and Music.
