School Profile

The Hyde School in Bath, Maine was established in 1966 on the beautiful Hyde family estate. The 145-acre campus features the grand 1914 mansion and the original Serenity Garden. New buildings include the gracious new library and classroom building adjacent to the Hyde Mansion, and the large Student Center attached to a modern gymnasium. Hyde's founding statement is that each individual is gifted with a unique potential that defines a destiny. For over forty years, Hyde has been developing its program in accordance with a simple premise: "let us value attitude over aptitude, effort over ability and character over talent." Hyde prepares students for college and for life.
