

## Private Boarding School

### School Profile

Orme School is a coeducational, college preparatory boarding and day school located on a rustic 300-acre campus surrounded by a 26,000-acre working cattle ranch. At an altitude of 4,000 feet, the School enjoys a year round ideal climate with cool evening breezes from surrounding mountains and is protected in a snug valley from cold winter temperatures. Enrollment is limited in number in order to preserve a family atmosphere and a close relationship between teachers and students. The student body is diverse and represents many states and foreign countries. A student-centered academic program is combined with a wholesome outdoor life that stresses responsibility, earnest achievement and genuine opportunities for balanced growth and development.
